MARTINMAS BALL
Friday 12th November 2010

Dear Friends,

Please find enclosed with this letter an invitation to the Ball!

I hope that you will be able to come? This is one of two big events that I am organising this year for the parishes. The proceeds will be shared between the two to help towards our ongoing ministry.

Otherwise the purpose of the event is simple - to have a really enjoyable evening out.

Please can you send your replies to the 'Parishes' Office as soon as possible? Early booking will attract a discount.

Hoping to see you there,

Yours,
